The more we practise Chi Sau with different people, the more we can develop our Wing Chun skill. This course gives you just such an opportunity. Even as a beginner, you will see tremendous progress by the end of the course as you will be able to go through each of the three Wing Chun forms of Siu Lim Tao, Tsum Kiu and Bui Tze. You will also be working on the weapon forms of Baat Jam Dao, the Wooden Pole and the Wooden Dummy. If you want your Wing Chun to be good, then don't miss this course. If you find you already have a good standard, then don't miss this course either as you will get even better!
